

## Canvas Webex Integration

**Step 1:** Click on **Webex** in the Course menu

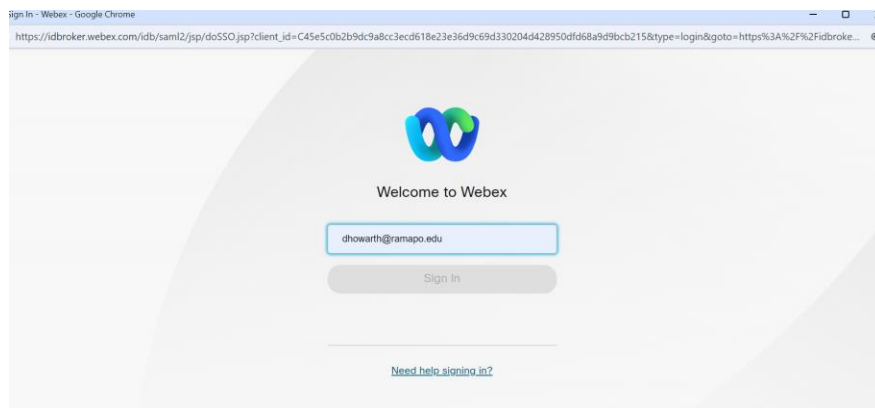

**Step 2:** The first time you access the application in your course, it will prompt you to select which features you want to enable for that course (meetings, office hours, classroom collaboration). Each one you enable will create a new menu item.

**Step 3:** Click **Sign in with Webex**.

**Step 4:** Sign into your account

**Step 5: Click Accept.**

Webex LTI  
is requesting the following:

- Retrieve your Webex meeting recordings for playback
- Full access to your Webex Teams account
- Retrieve your Webex meeting lists and details
- Read participant information from meetings
- Retrieve your Webex meeting preferences
- Manage or delete your Webex meeting recordings
- Create, manage, or cancel your scheduled Webex meetings

Accept

Only ask when requesting new permissions.
