2022-2023 Career Development Awardees

Name	Dept	Project Submission Areas
Shivarajan, Sridevi	ASB	Attend a case writing workshop offered by the Ivey Business School, Ontario, CA. The course is immensely helpful in gaining the foundational knowledge for case writing. The case writing will provide original real-life leadership and ethics cases to enhance student learning.
Redd, Tammi	ASB	Attend Lilly Conference in Fall 2024 to create new avenues for collaboration between Faculty Readiness Center and the Instructional Design Center (IDC).
Del Amo, Yolanda	CA	Attend a workshop called "Digital Negatives that Work" at Cone Editions in Vermont. The workshop will teach how to output a digital file as a negative that can be printed afterwards as black & white in a darkroom.
Skryznski, Jackie	CA	Purchase an online master class in Procreate to improve knowledge and learn additional approaches to making digital drawings and paintings.
Barnes, Todd	HGS	Attend the London Conference in Critical Thought in June/July 2023 and prepare work to present at the conference in 2024.
Wittenberg, Sam	LIB	Four week online course, "Fundamentals of Collection Development and Management" to expand knowledge of collection development, management, and analysis; develop a better understanding of current trends and projected future; and to increase outreach related to our collections to various stakeholders."
Bitz, Michael	SSHS	Become a member of the International Society for Technology in Education (ISTE), the most recognized organization in educational technology. The ISTE standards are implemented in schools and higher education institutions all over the world. Membership to ISTE includes: Biweekly webinars from edtech expert peers; Free access to a 2-hour, self-paced course on learning styles; Two e-books, including one on the ISTE Standards
Choudhury, Naseesm	SSHS	Attend the Annual Conference of the Cognitive Neuroscience Society (CNS) and to purchase Electroencephalography/Event Related Potential (EEG/ERP) training materials, books, and Matrix Laboratory (MATLAB) programming manuals
Vasishth, Ashwani	SSHS	Magna online workshops
Brisson, Caroline	TAS	"COMSOL" Training
Perez, Cristina	TAS	Take courses in Evidence-based practice (EBP) and applied genetics
Fitzgerald, Julie	TAS	Attend a virtual program on the John Hopkins Model of Evidence-based practice (EPB). This model has been updated and attendance at a program of this nature would enhance my knowledge and skills. Also approved to attend the Eastern Nursing Research Society (ENRS) Conference
