Recommended Graduation Plan (Fall 2024)

The recommended graduation plan is designed to provide a blueprint for students to complete their degrees on time. **Students must meet very early with their Academic Advisor if they intend to take one or more Minors, or a second Major, to develop a more individualized plan to complete their degree. Every course in this plan is placed with thought. You will be best served if you either follow this plan or work closely with the Convenor before making any adjustments.**

NOTE: This recommended Graduation Plan is applicable to students admitted into the major during the 2024-2025 academic year.
