Definitions - Academic Integrity

Honesty & Integrity!

1. **Cheating** – a student misrepresents their mastery of material on a homework assignment, paper, test, or other exercise; ex: using unauthorized materials during an exam
2. **Plagiarism** – the writer or speaker does not cite the source of words, phrases, sentences, data, or even ideas that should be attributed to/belonged to an original author, speaker, thinker, etc.; also note “self-plagiarism” in the Policy
3. **Academic Misconduct** – someone behaves in a way that is academically dishonest; e.g., altering grades, acquiring or distributing an unadministered test, submitting the same work in more than one class without both instructors’ awareness
4. **Fabrication** – someone uses invented information or falsifies research, data, findings, etc.; e.g., including sources in a “works cited page” that were not actually used, forging signatures on forms, submitting work that was done by someone else

Academic Rights & Responsibilities

If you have to remember one thing 😊

Show up & Speak up!
